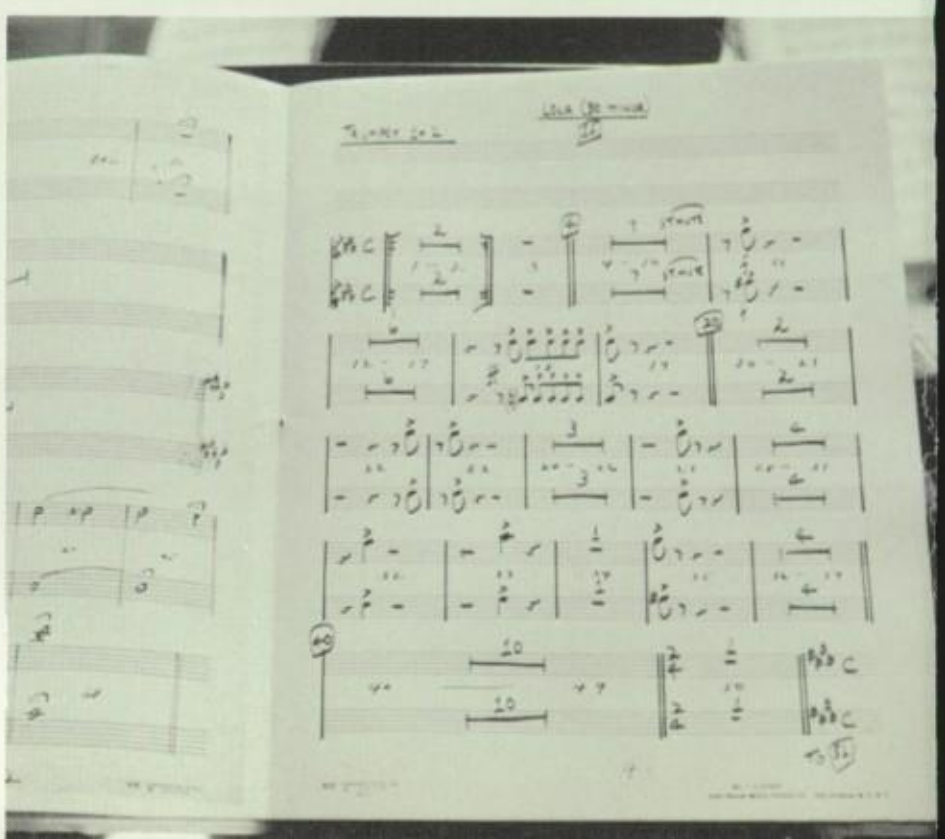
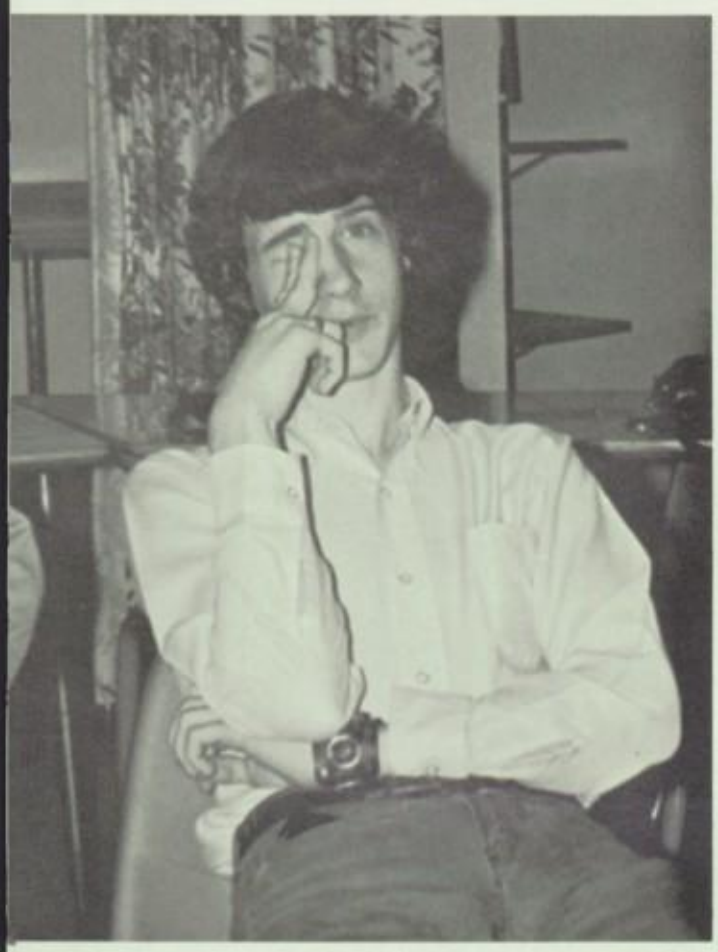
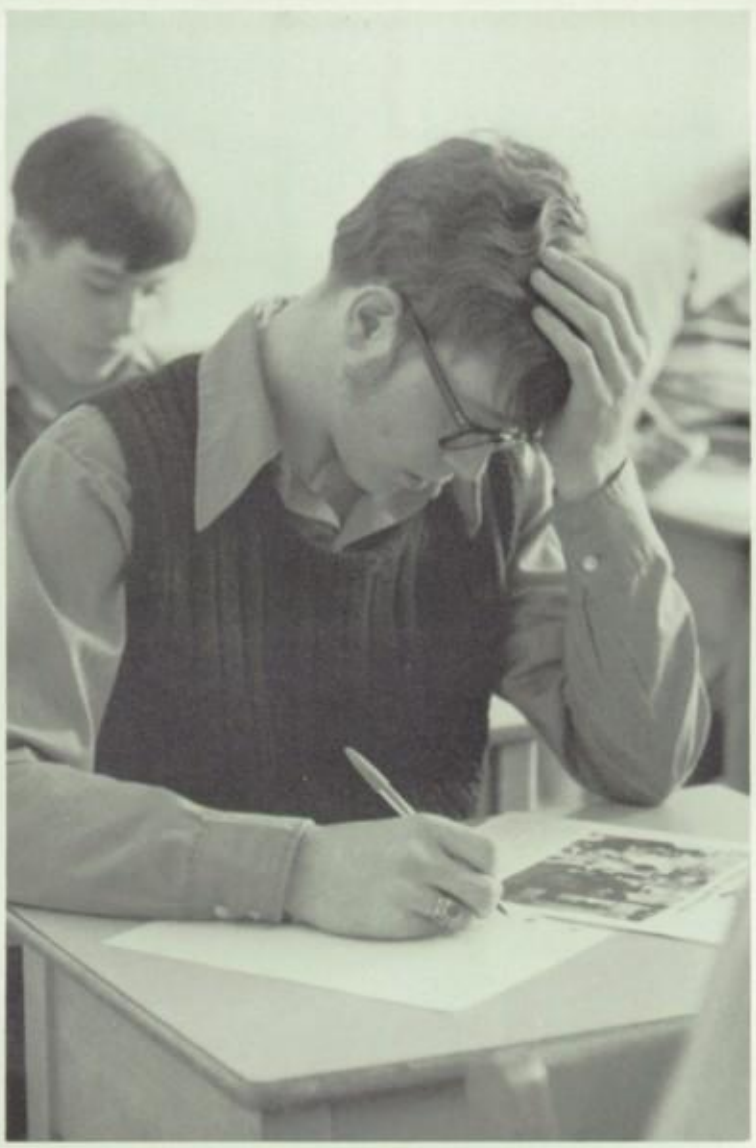
Plans

My mind runs ahead in time
frantically picking flowers
and buds alike
until my arms are full
and my feet weary
and my spirit disappointed
with little plans that
never fully bloomed.
Forgive me, Lord.

—Marilyn Grasse



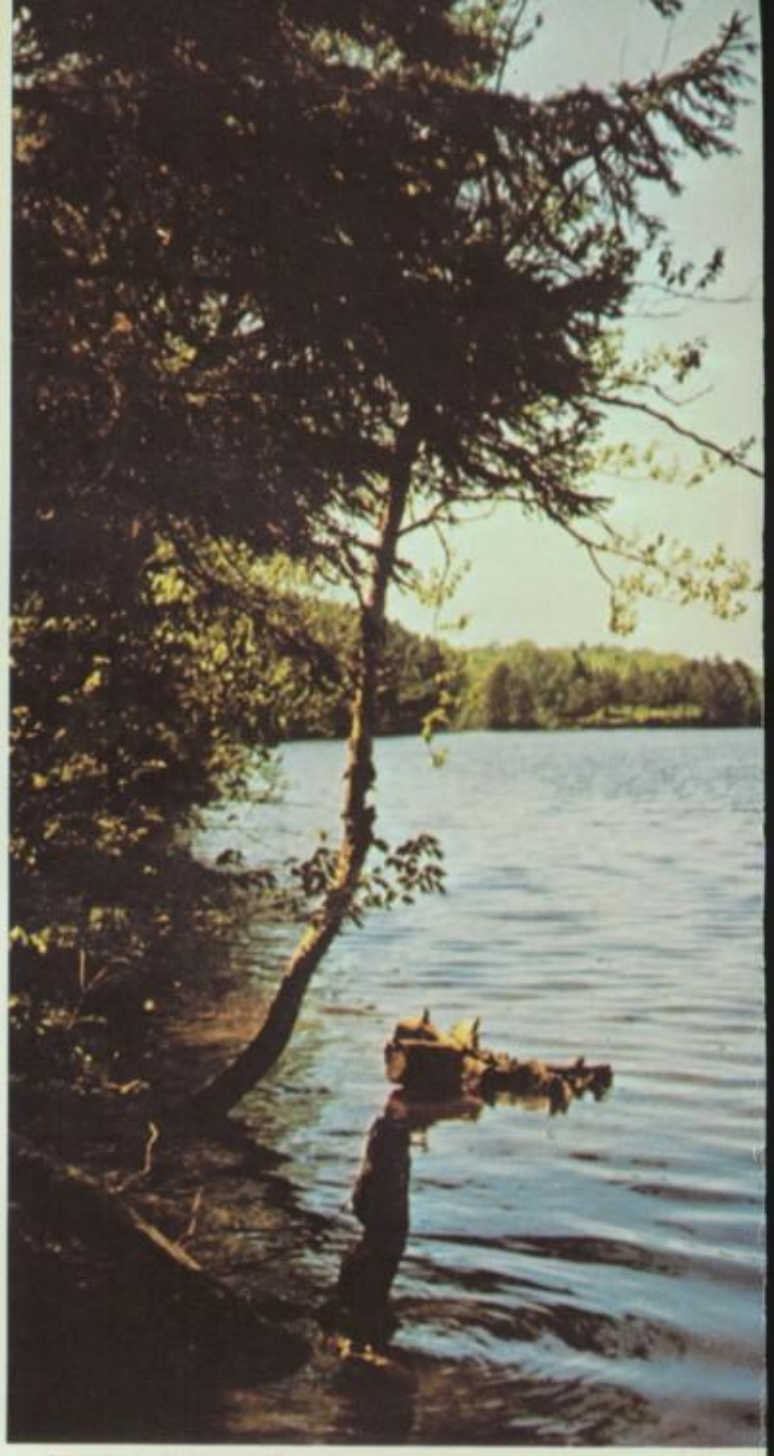


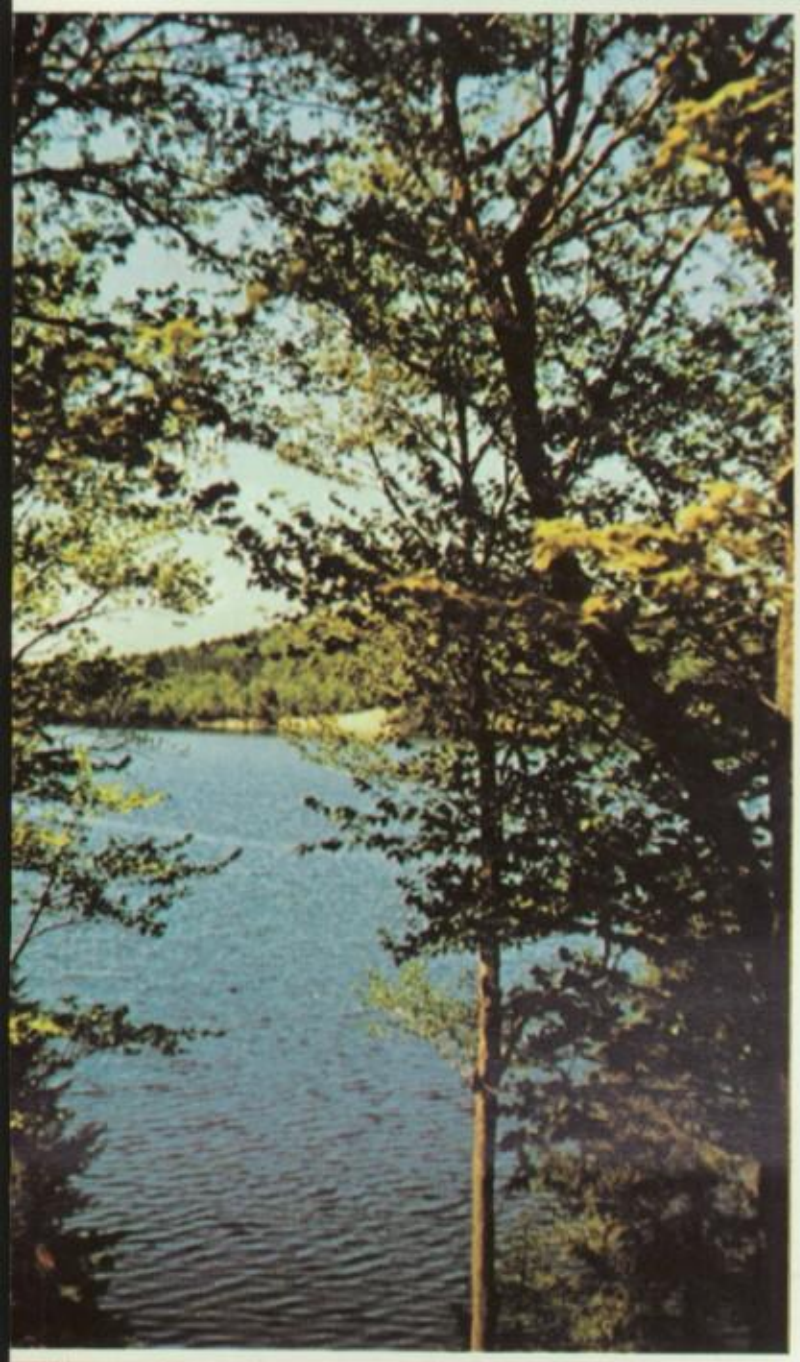


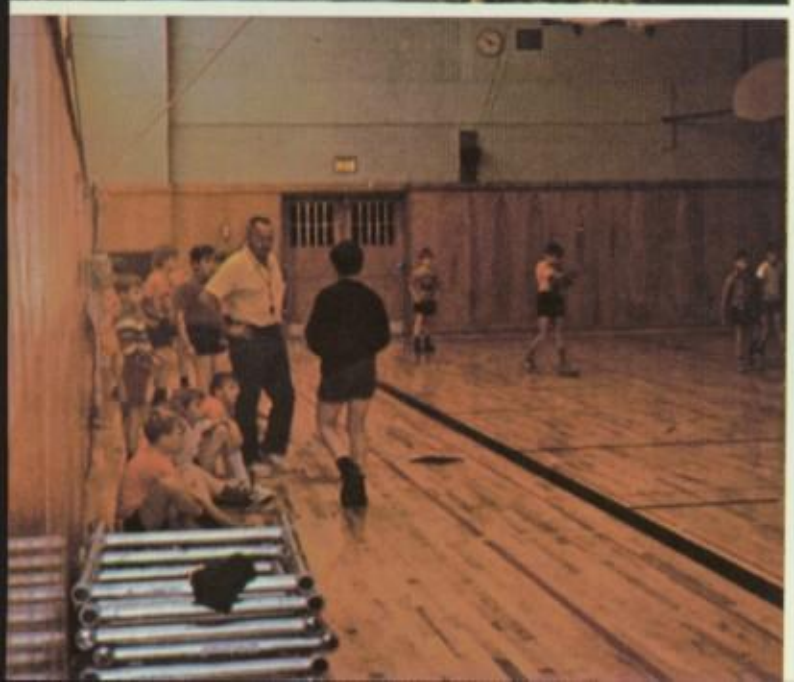
Who Am I

Peeping into the waxed glass
I sneak a glance at myself
The ebony image I see
With off-white teeth
And off-white thoughts
Is me—I was told by others
Is others—I was told by me.

—Julian M. Brown







ALMA MATER

There's a land of rushing waters

Where once the forest grew

And the dark trees trailed their branches

In the rivers dusky hue.

There the beavers build their houses

In confident serene

And the sunset was the orange

And the forest was the green.

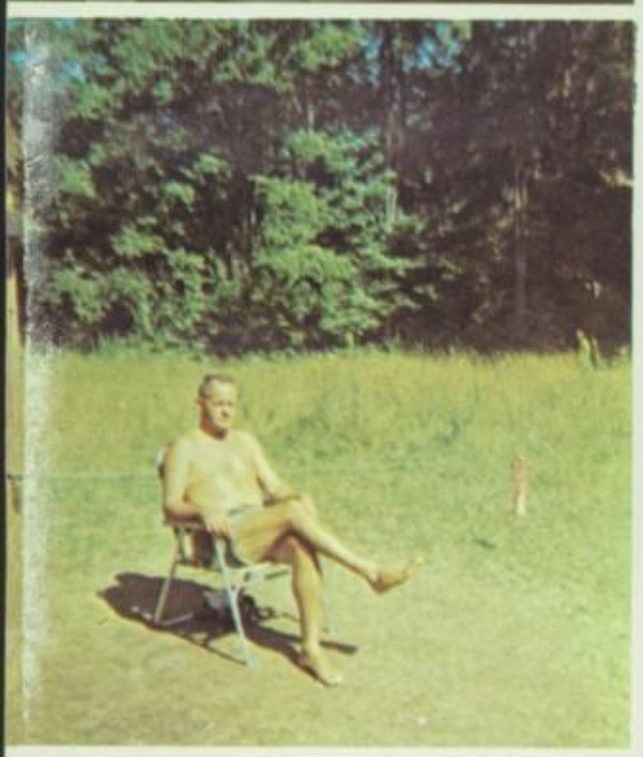
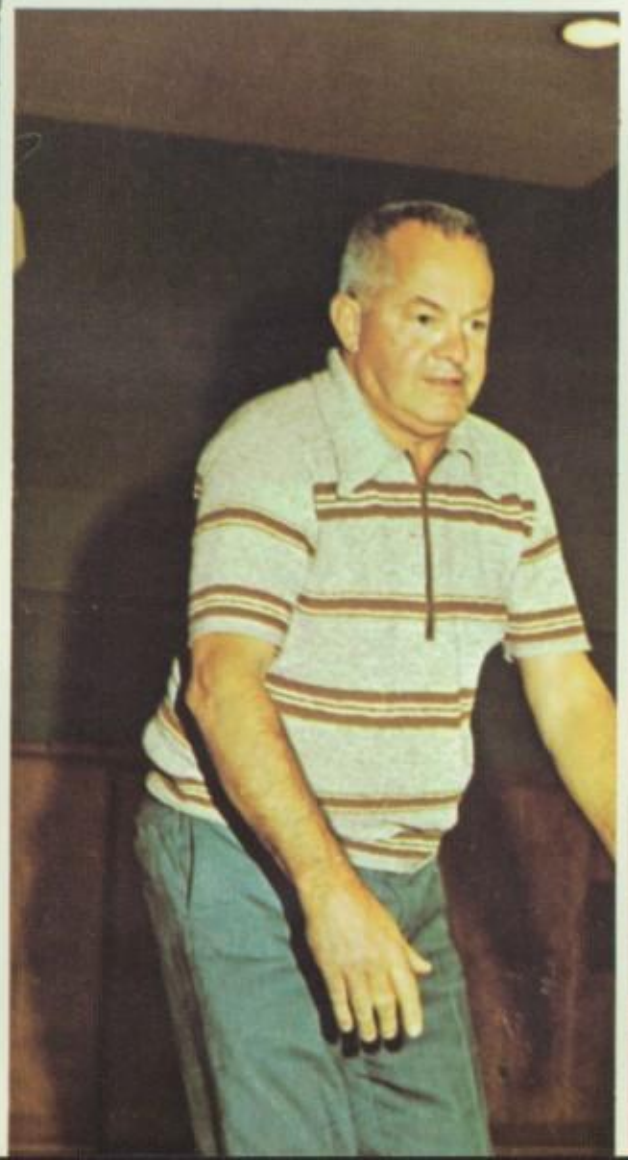
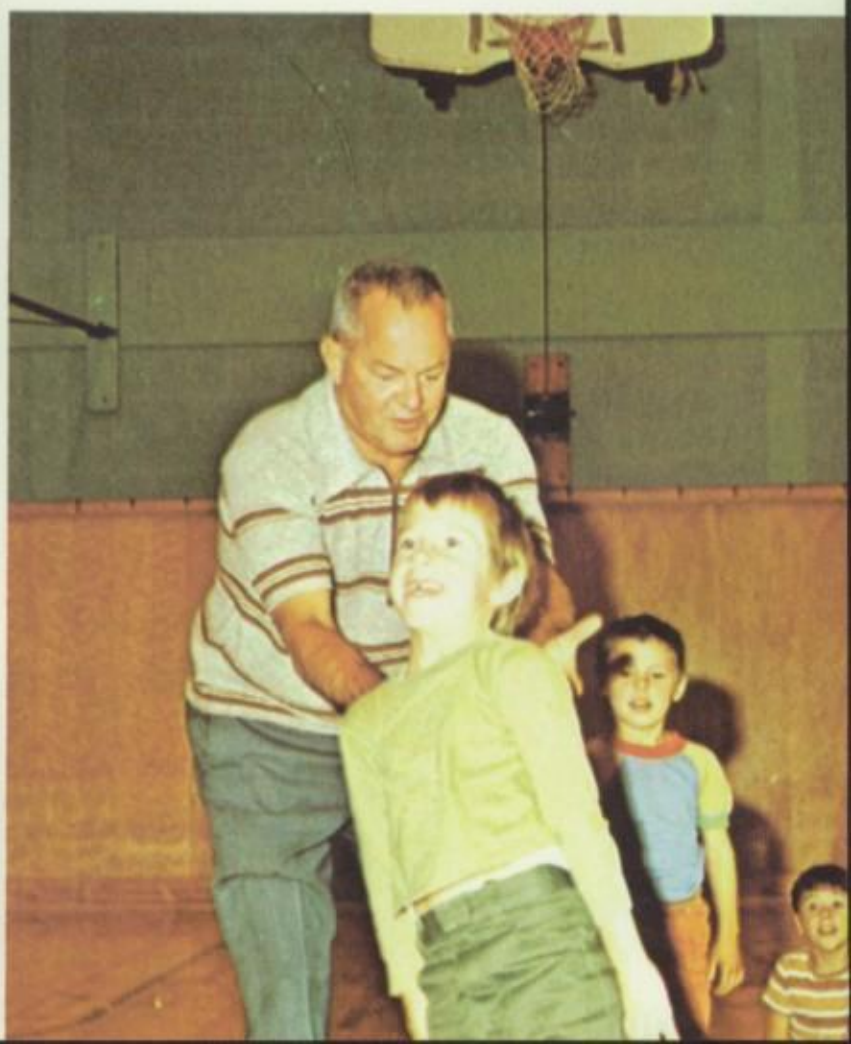
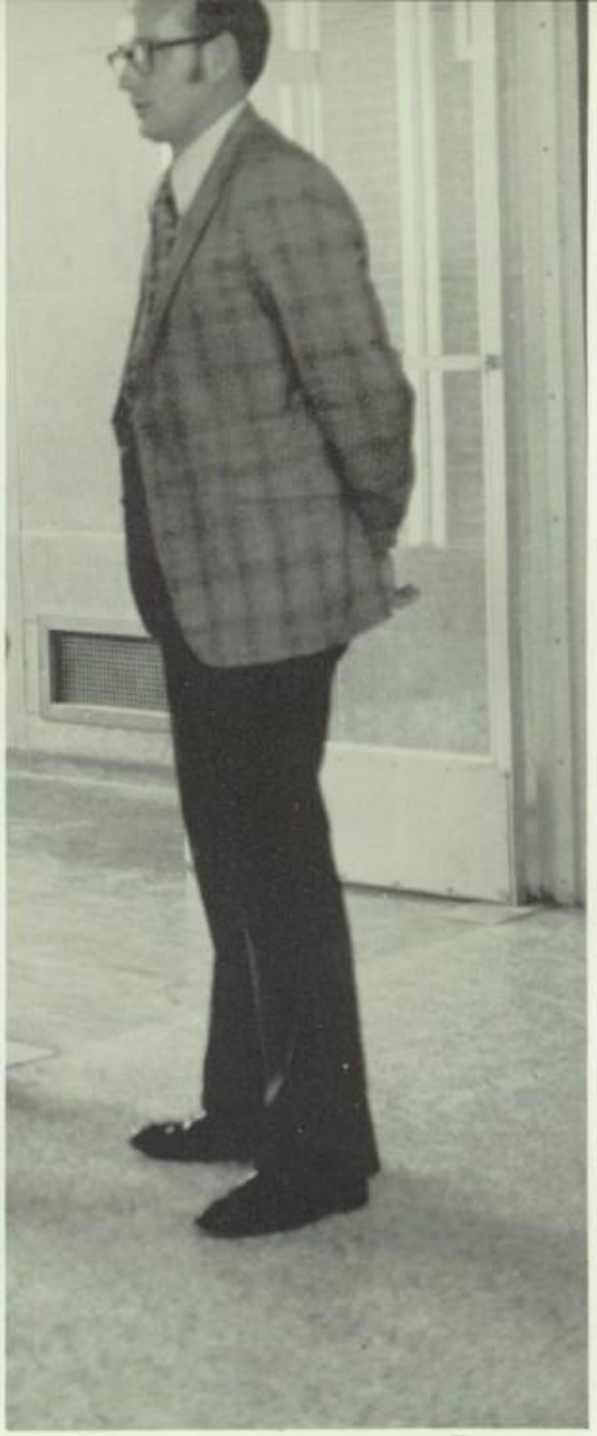
DEDICATION

The class of 1973 wishes to dedicate this year's Beaverian to a man who has long been a key figure in the sports and physical education programs at our school. Without this man the athletic department would not have been as well developed and equipped as it is today. It is with great admiration and appreciation that we dedicate our Yearbook to "Coach" Brad Bramhall.

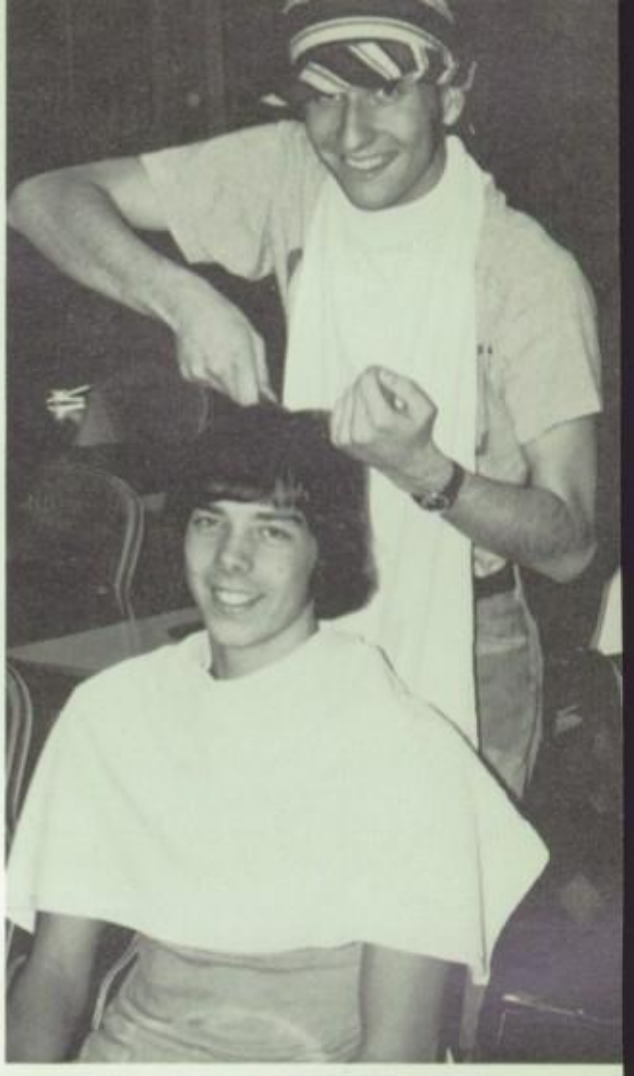








BOARD OF EDUCATION–
Row 1: Howard Virkler, Katherine Marilley, Helen Carnnie. *Row 2:* Duane Streeter, Donald Petzoldt, Lawrence Marolf.
ADMINISTRATION–
Clifford Chamberlain–Supervising Principal
Larry M. Corey–Assistant Principal
Richard Green–Vice Principal
Wayne Marcotte–Elementary Supervisor



CLASS HISTORY

It all began in 1969 when *100 plus* nervous and anxious freshmen embarked upon a new way of life which was to endure for the next four years. During this first year, many of us found that things weren't nearly as bad as we had heard. We also discovered that being underclassmen was not exactly the most favorable position to hold. In our "frosh" year, we began what was to become a long and ever growing list of "retired" advisors. Numero uno on our list was *Mr. Brian Klossner.* At the reins of the class was our fearless leader, *Sam Chamberlain.* Assisting him were vice-president, *Terre Tooker;* secretary, *Elwood Lyndaker;* and treasurer, *Randy Widrick.*

The following year we bagan our illustrious careers as Sophomores. This year, following the previous year's indoctrination, we knew what was going on. With all our qualms and petty fears quieted, we looked forward to an "interesting" year. (To say the least) To our list of advisors we added first *Mr. Klossner* and then *Miss Lepkowski.* It seemed we just couldn't find an advisor who was charmed enough by our innocent countenances and quiet manner to stick with us. At the steering wheel of our class this year was our president, *Tim Meyer.* His subordinates were *Bob Lyndaker,* vice-president; *Michele Lehman,* secretary; *Michael Chartrand,* treasurer. During this year we set a precedent by ordering our class rings.

Next, we hit upon what was to be the most difficult year of all. In this, our Junior Year, we had a Regents examination in nearly every course and that looming monster, the PSAT/NMSQT. Despite the academic pressures of this year we still found time for a little fun. (Very little time) It was during this year that you found out just how much you could take. During this year we also began to enjoy the privilege of being upperclassmen. Number four on our list of advisors was *Mr. O'Hara.* Our benevolent monarch during this year was *Laura LaPlante.* Assisting her were vice-king, *Joe Monnat;* Court Scribe, *Wendy Petzoldt;* and Royal Keeper of the Treasury, *James Taube.*

And now . . . The Grand Finale. September 6, 1972—the beginning of the end. With this, our Senior year, we culminate 13 (thirteen) years of happiness, sadness, depression, and excitement. During this year we also set a precedent by being one of the few, if not the only class, to hold only one dance . . . not counting the Junior-Senior Prom. This was the year of the SAT, ACT, RSE and PCS. One of the few consolations in taking these exams is knowing that next year another group of Seniors will be enduring them. This year also saw a minor miracle . . . we actually retained our advisor from our Junior year. At the head of our Senior Class was il duce, *Bob Lyndaker;* vice-president, *Robin Lehman;* Keeper of the Scrolls, *Randy Widrick;* and Keeper of the GREEN, *James Taube.*

As we look back on our years here at Beaver River Central we see the thirteen most important years of our life. Now, as we prepare to leave, we would like to thank all the members of the administration and the faculty for sharing their knowledge, and even more important, for sharing their lives and experiences with us. Although this is a time for looking back at old times, it is also a time for looking ahead towards the future. The things we have learned here are going to form the foundations for the rest of our lives. So, even though we say so-long with great reluctance, we are eagerly facing the years ahead and shall remember our years here forever with a great deal of happiness.

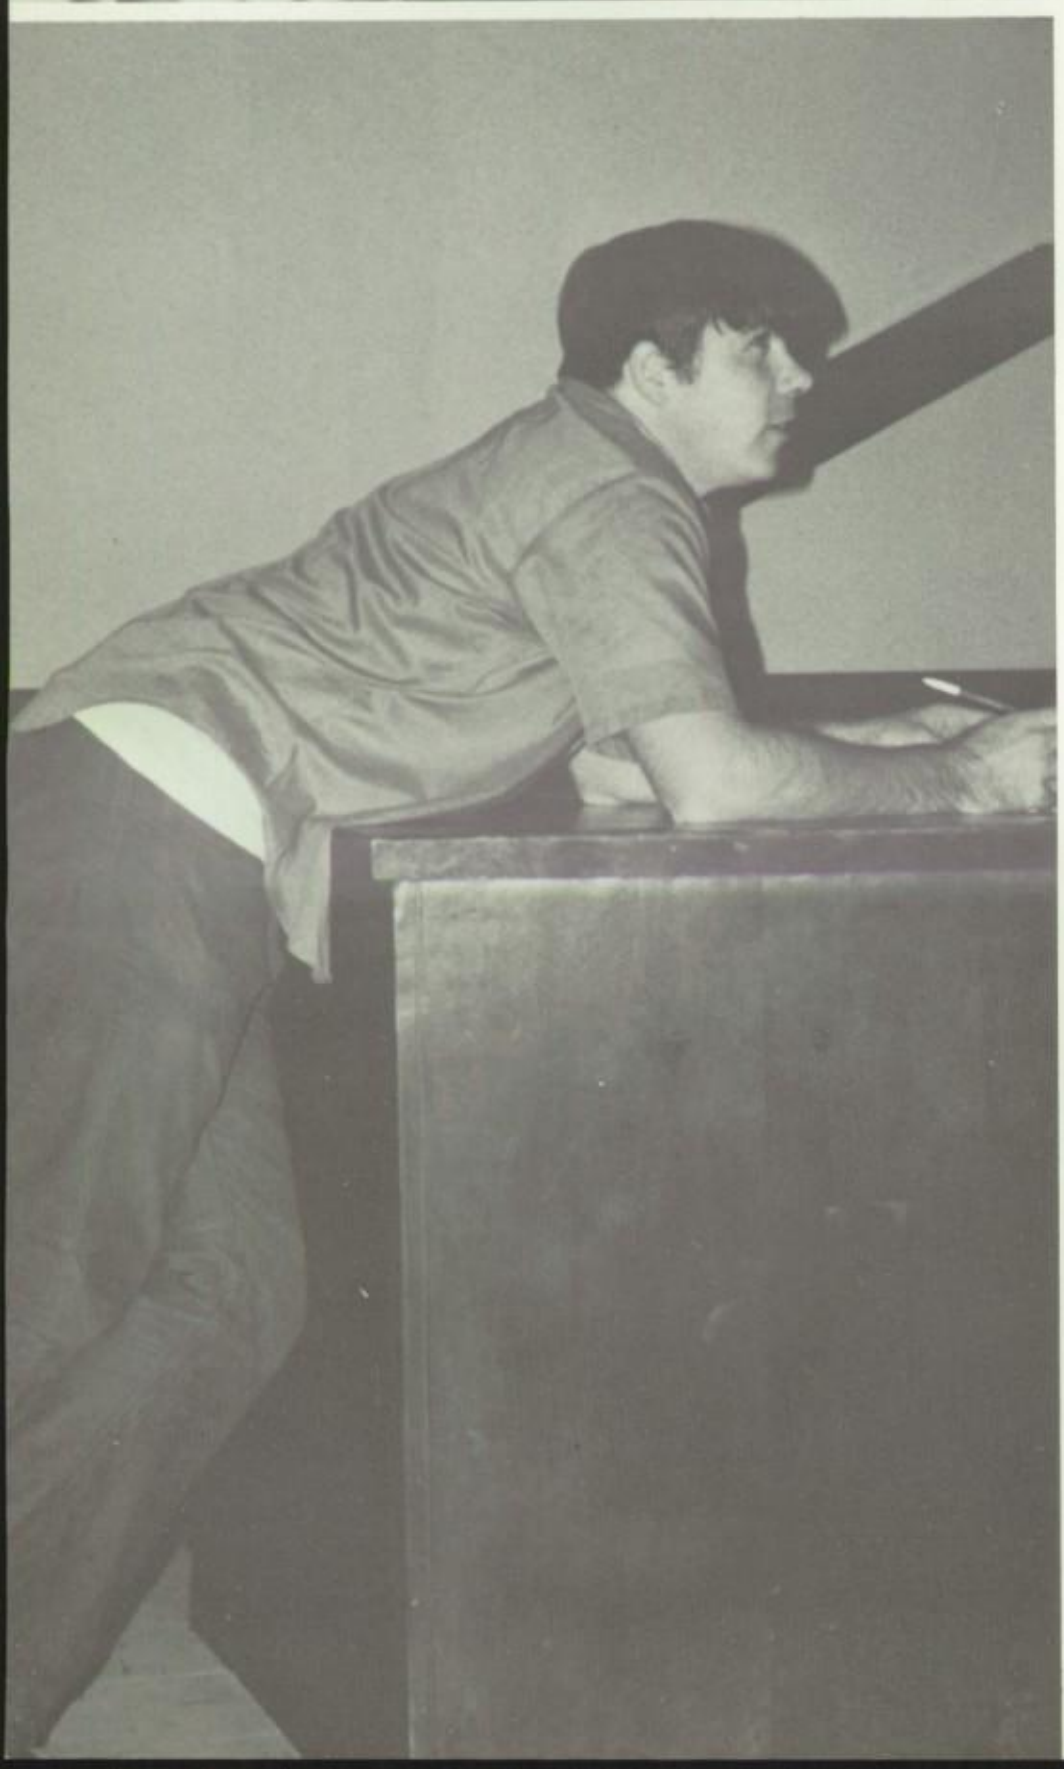
MR. O'HARA

Mr. O'Hara has been here only two short years, yet in that time he has done a great deal for the school and the Senior class in particular. In Mr. O'Hara we found our first "permanent" class advisor and a really good friend. Since his arrival here he has taken over the position of Broadway Musical Director and has helped to produce two very good musicals. Due to his background in drama he has been instrumental in not only the musicals, but also in the planning and production of Senior events.

As our class advisor, he has been very much responsible for bringing about one of our classes busiest and most productive years. Perhaps our class would have gotten along all right without him, but his presence has most certainly had a most constructive and helpful influence on us. We certainly will never forget him.

For these reasons and many others, we, the Senior Class, would like to thank Mr. O'Hara for all of his help and dedication.



EXCHANGE STUDENT

This year our school was fortunate enough to have an exchange student from Columbia, South America. Her name is Olga Arango, and she is the oldest of three children. During her stay here she resided at the home of Mr. and Mrs. Nevin Lehman.

Since her arrival here she has brought a great deal of life and enthusiasm into our school. Her presence here has been felt not only by the school, but also by the community as a whole. The time Olga has spent here has been very busy. It seems Olga is present at nearly all the community social functions and her presence always made things more enjoyable.

Although Olga returned to her own country, she will remain a part of this school for a long time.

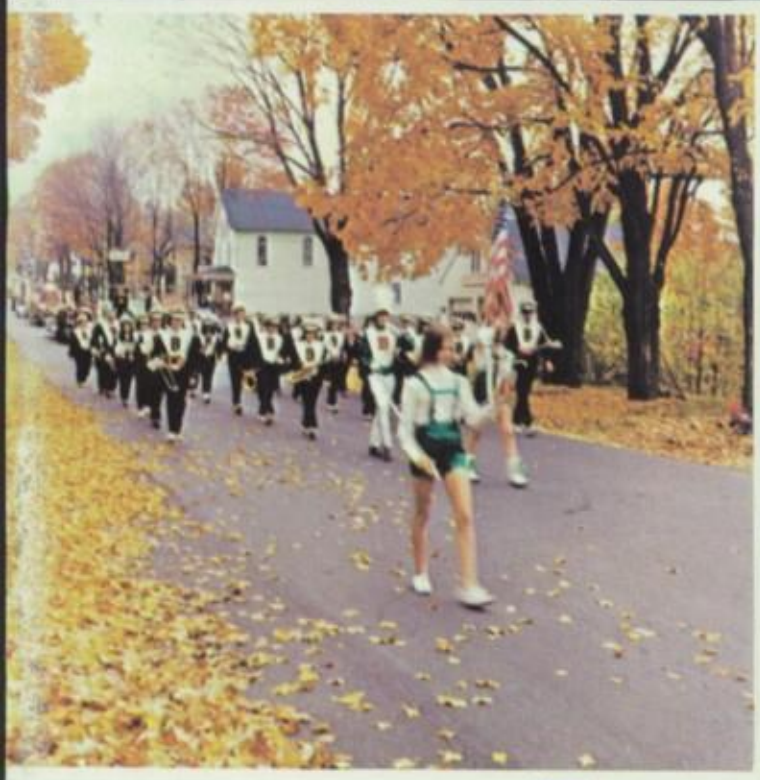
HOMECOMING WEEKEND

On Saturday, October 7, the weather seemed to be a harbinger of what was to come. Despite all the enthusiasm and spirit the Varsity football team was defeated by General Brown on a wet, cold field. However, one simple defeat was not about to lay waste the entire weekend. Immediately following the football game, the Senior class sponsored a chicken barbeque.

The pre-game festivities were also an integral part of the weekend. The high point here was the parade through town. Providing music was the school band and providing visual appeal were the many floats.

Capping off the weekend was the "victory" dance. Reigning over the dance were Tim Meyer as King and Kathy Moore as Queen. Looking back over the entire weekend, very few people would call it a defeat.



VOCATIONAL SCHOOL

Each morning and afternoon a number of students from our class journey to the BOCES center at Glenfield to take vocational courses. Although many people have a misconception as to the purpose of vocational training, most will agree that it fulfills a very important need in this area and that it offers the students of our school a wider choice of curicula. We are lucky to have in such close proximity to us a facility that is so well equipped and staffed.

Even though these students spend an abbreviated time each day at our school, they are active in school activities and play an important part in the athletic program of our school. The vocational students make up as important a part of our class as any other, and therefore we dedicate these pages to them.

SPORTS

Once again this year the Beavers have been a powerful force in the sports scene of the Frontier league. Our cross-country team, for the first time, won the Stone Jug. Our basketball, track, and wrestling teams look very strong. Our school has always put forth a team that must be reckoned with, regardless of the sport. Not only are the male sports teams pillars of strength, but the females (the weaker sex) also demand respect from their opposition. Now let's look at the sports scene:

This year the Girl's Swim Team finished its season with a 4-5 record. Eleven out of fifteen school records were broken this year. The new record holders are Karen Carpenter, Pat McCabe, Sue Widrick, Barb Gilbert, Mary Barker, Pam Nortz, and Brenda Hoch. At the Section III swim meet Karen Carpenter won first place in the 25 yd. backstroke while Pat McCabe tied for fourth place in the 25 yd. breaststroke. With a glimpse at the junior high team of this year, it looks as though next year will be a very promising year for the swim team.

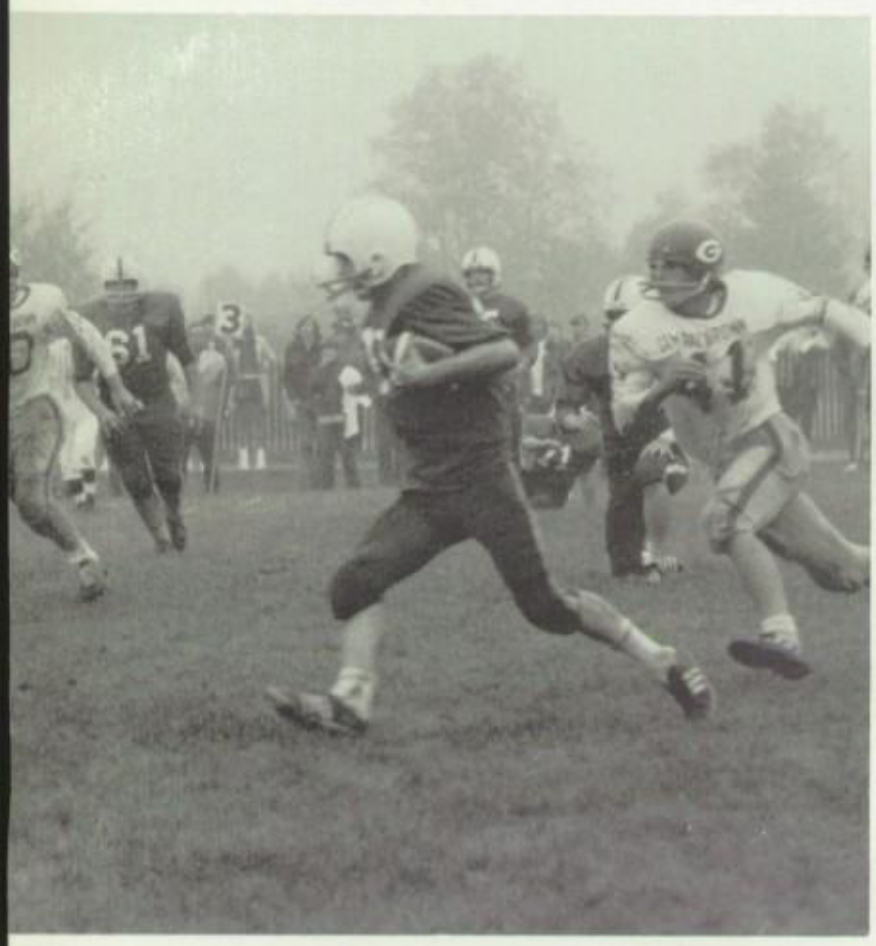
The 1972 edition of the Orange and Green Track Team returned to its habit of undefeated seasons with its sixth perfect dual meet record in seven years. Five new school records were set, highlighted by Dave Evan's six foot, one inch jump, Rick Stuhl's 1:59.5 half mile and the sensational 3:29.9 mile relay. The relay team of Juniors Sam Chamberlain, Gary Widrick, Doug Pominville, and Rick Stuhl ranked among the ten best in the State.

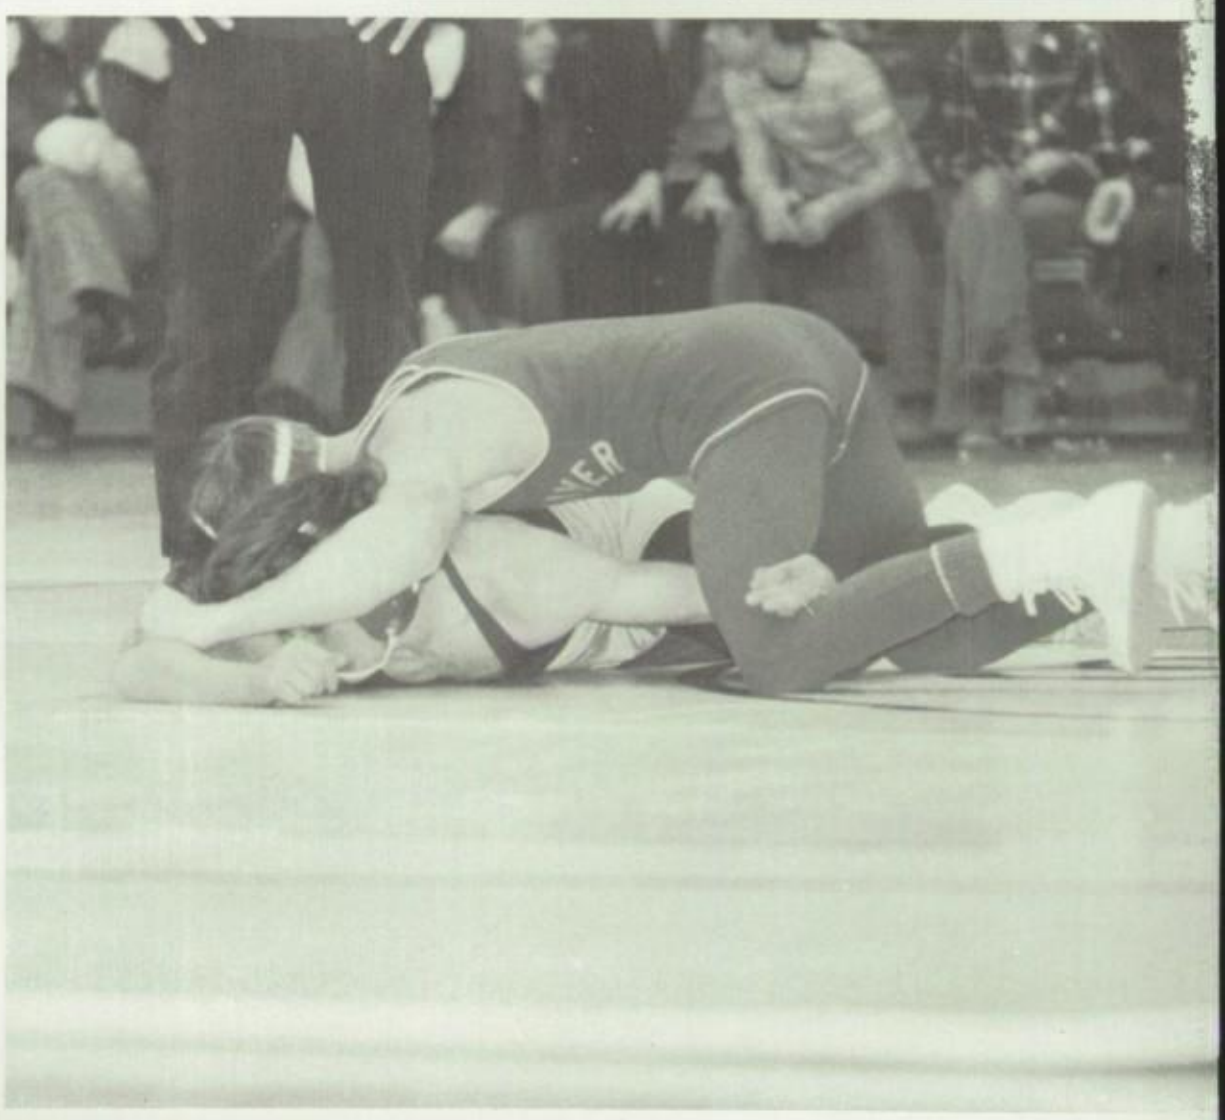
Dave Evans, Sam Chamberlain, Rick Stuhl, and the mile relay team of Jim Farney, Bob Chamberlain, Jeff Duflo, and Doug Pominville all won individual sectional titles, but in vain as the team championship went a-glimmering by a scant two points in a great effort. Nevertheless, the season was a great one capped by the sixth straight team title in the league champions meet.

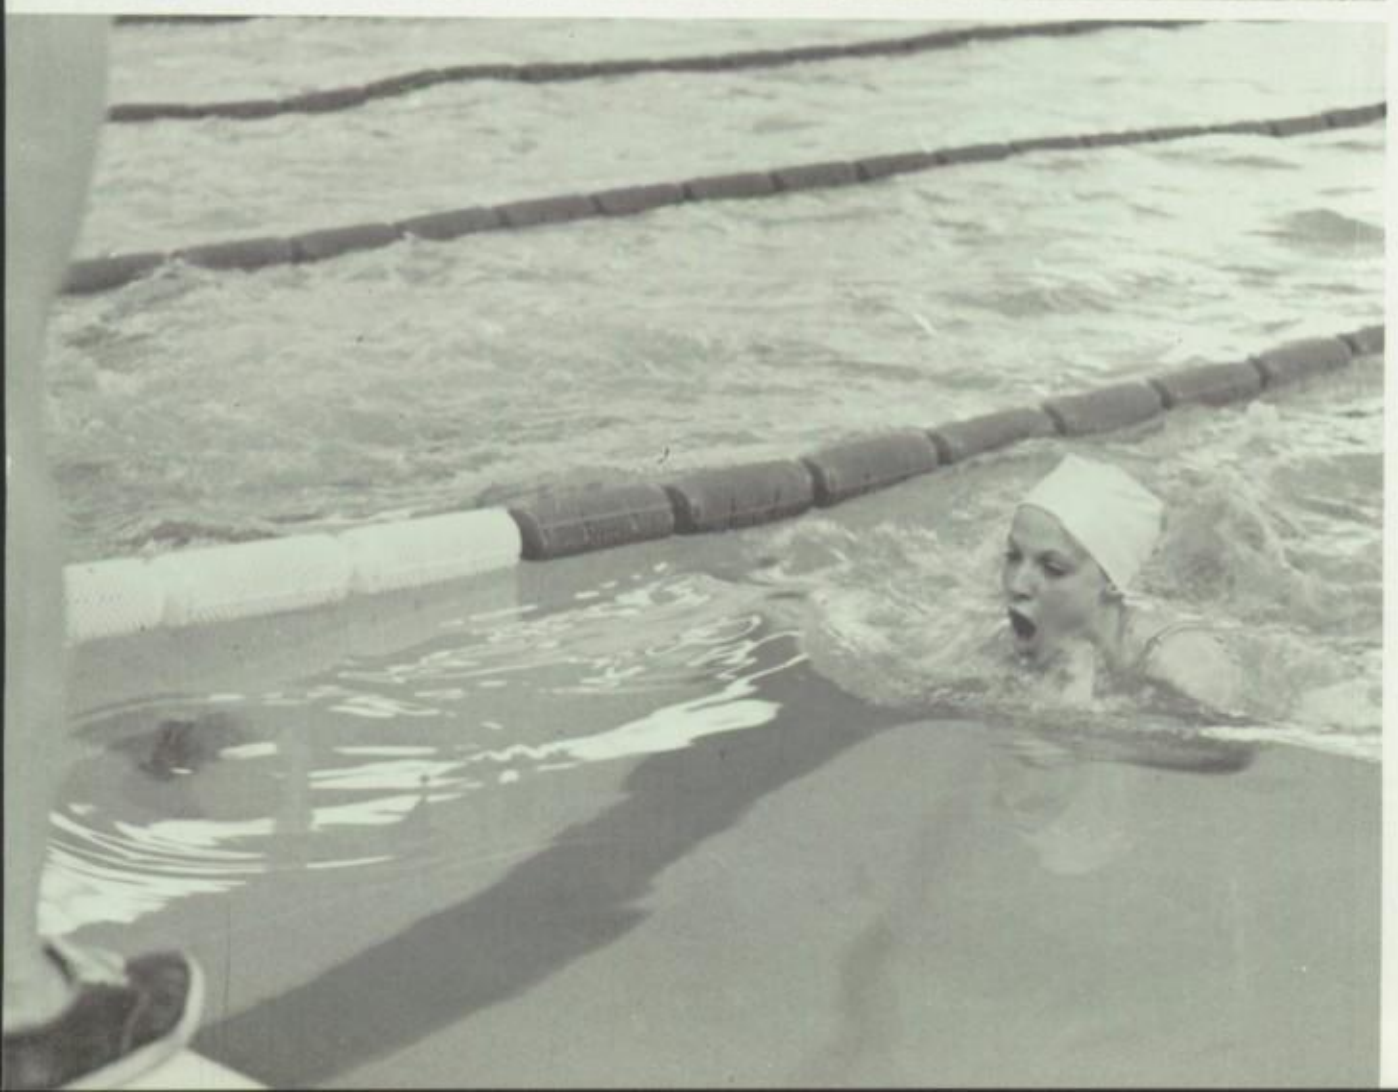
The nucleus of the 1972 Varsity Baseball Team consisted mainly of young ball players. There were five juniors and two sophomores on the team. Our record doesn't indicate the calibre of ball that we played.

The scores certainly show many things: 1. A tough nine inning, two to one loss to Lowville, the League Champions. 2. A two to zero and a seven to six loss to I.H.C., the number two team in the league. 3. That in many games we had fine pitching, allowing the opponents two runs or less in seven games. 4. That we failed to score many runs, three runs or less in seven of our ball games.

In summary, if the four senior captains had produced as expected, we would have had a turn around from the way we ended up.







The 1972-73 edition of the Varsity Swimming was the second year of this sport at Beaver River. The team elected their only seniors, Pete Campany and Terry Steiner, as co-captains and were able to grab the first three victories in the short history of this new sport. Two victories over West Canada Valley and one over Herkimer Central were indicators that we are coming on as a power to be reckoned with. Leading scorers for the team were Brent Lehman, Brian Lehman, and Gene Bates. New school records were established in all events and, the nucleus of the team features other sophomores and freshmen including Kevin Lyndaker, Jeff Robinson, Steve Martin, Ken Kirkbride, Jeff Zehr, Steve Peck, Brad Eaton and diver Doug Martin.

The Junior High Swimmers were very impressive in winning of the annual Christmas Relays over five other schools including Lowville, Canajoharie, Sherburne-Earlville, Herkimer, and South Lewis. They also registered a double win over West Canada Valley. Promising Junior High swimmers in the eighth grade include Dan Chartrand, Dave Chartrand, Jon C. Farney, John U. Farney, John Fredenburg, Scott Lyndaker, Pete Meyer, Tom Morrow, and Rick Buell. Many other seventh, eighth, and ninth graders add to a long list of very enthusiastic and encouraging swimmers for future varsity teams at BRCS.

This year the Beaver River grapplers finally showed the rest of the Frontier League what they're really made of. Not only did they exhibit great individual efforts, they also displayed an amazing team unity. The Beavers drew large crowds of enthusiastic fans to their home matches and had a sizable following at the away matches.

The high point of the season had to be the defeat of South Jefferson. South Jeff was undefeated and was also the last major power with a chance to beat the Beavers. The Beavers were really up for this match since their unblemished record was on the line too. With the beginning of the 98 pound class the Beavers made their dominance known. They stunned the Spartans by winning the first seven weight classes. After losing the 145 pound class, the Beavers came right back with a decision by Kim Lyndaker to put the match out of reach for South Jeff. Although the match was already won at this time, the Beaver continued to wrestle as if each match meant the difference between victory and defeat. When once-beaten Larry Mooney went up against his undefeated opponent, the crowd went wild. The fans were not to be disappointed as Mooney pinned his opponent with one second left in the second period. At this point there was no controlling the crowd. They swarmed onto the mats to congratulate the undefeated, League-Champion Beavers.

Everyone will agree that Coach Norcross deserves a great deal of credit for his team's success. He built our team into the powerful, dedicated force that they are. We have good reason to be proud of our team and of its coach, who gave us our first wrestling championship.

Next year's team shows a greal deal of promise. Although they are losing the powerful Senior grabblers Joe Stanek, Jim Bush, John Campany, Earl Zehr, Tim Buckingham, and Calvin Shaw, the Beavers have six Varsity lettermen returning and a JV team which shows much potential. With and undefeated Junior High team, the Beavers should be a power in Frontier League wrestling for a long time to come.

Despite the fact that not much was expected of this year's team it turned out to be a most remarkable group. For the first time since 1964 the team lost two dual meets to league opponents.

Led by team Captain, Paul Kampnich, they stormed back to take a big Invitational win at Fayetteville-Manlius. The following week saw them do the impossible in the rain and mud of the Frontier League Stone Jug Meet. Running with amazing abandon, they defeated a Psyched-out South Jeff and a badly surprised Lowville to gain a tie for the Jug with the latter. The season ended with a sound third in the Sectionals.

Outstanding for the Beavers were Senior Rick Stuhl and Sophomore Steve Widrick. Each defeated the other four times and tied once. With a team-leading sixth in the Sectionals, Steve was selected on the All-Section Team.

Overwhelming is the word for it. The Best Junior High team in the State. Regardless of the fact that they were completely healthy as a team for one meet, they lost only once at the Hannibal Invitation to a Rochester team without Freshman star, Mike Golden. Look out world in two years!

Again this year, the Hockey Teams had very successful seasons. Team I had another undefeated season and became Frontier League Champions. They allowed heir opponents to score only once during the season. The girls on Team II lost only one game and tied for first place in the Frontier League. Miss Patricia Ford was the coach, with Michele Lehman as manager. Miss Linda O'Leary handled intramurals.

Once gain the Beavers were a power to be reckoned with in the Frontier League "A" Division. Led by Senior Co-captains Jeff Widrick and Rick Stuhl, returning Senior lettermen Gene Farney, Bob Lyndaker, and Sam Chamberlain, the Beavers compiled another outstanding record. The secret of their success was their devasting defense and unselfish team work which they exhibited thoughout the season. In a low scoring contest on our home court, the Beavers lost to IHC early in the season. A week before the rematch the "flu" hit the team and the eight man squad was a heavy underdog as it invaded Watertown to face the undefeated league-leading Cavaliers. After getting into foul trouble early in the game, the Beavers showed their poise under pressure and managed to retain a slim lead going into the fourth quarter. With three of the starters out on fouls, the Beavers held on to defeat the team ranked 18th in the State.

Perhaps the most valuable asset to the team has been the outstanding coaching of Bob Giordano. "Mr. G." was honored by the Senior Class for his fifteen years of unselfish dedication to the basketball program at Beaver River.

It looks as if Coach Giordano is going to continue his winning ways. Next year, with an experienced Junior starter, a Sophomore with one year of Varsity experience, and next year's Seniors returning, the outlook seems pretty good.

At this moment the Beaver appear to be strong contenders in the Sectionals. They have always done well in post-season competition and this year should be no exception.

After flying high for two very successful seasons, the Beaver River Varsity Football Team hit an air pocket. The team's record in no way indicates the hard work and dedication the players displayed. Many untimely injuries to key players forced Coach Norcross to start new, unexperienced players each weekend. From the team we produced three All-League players: Doug Pominville, John Campany, and Joe Stanek. Three more players received Honorable Mention: John Steria, Doug Merry, and Neil Woodhouse. During this year's campaign, nearly all of the players saw starting action. From the looks of the experienced Juniors on the team and the upcoming JV players, next year should be a season that sees the Beavers sky-rocket to the top again.

Congratulations to the class of 1973 from the Future Homemakers of America

Girl's Athletic Association–We count too.

Farewell to you and the youth I have spent with you

It was but yesterday we met in a dream.

But now our sleep has fled and our dream is over,

and it is no longer dawn.

The noontide is upon us and our half waking has turned to fuller day,

and we must part.

If in the twilight of memory we should meet once more,

we shall speak again together,

and you shall sing to me a deeper song.
